Articles in AMEC Journal are published open access under a CC BY license (Creative Commons Attribution 4.0 International license) and retain the copyright. The author may share a link to the formal publication through the relevant DOI. Additionally, theses and dissertations which contain embedded Published Journal Articles as part of the formal submission may be hosted publicly by the awarding institution with a link to the formal publication through the relevant DOI. Any other sharing of Published Journal Articles is by agreement with the publisher only. I accepted all ethical guides of COPE for the copyright and publishing process. After acceptance, the manuscript cannot be published in another journal. If it is discovered to be published elsewhere, the article will be removed and dealt with according to the law.
